## Keys to Self-Control

How can you teach your little one to handle big emotions like anger, frustration, and disappointment? Work on increasing his self-control with these strategies to help him think before he acts.

★ **Talk it out.** Give your child words to use when he is upset. (Ex. I feel mad because I want my book and can't find it.)

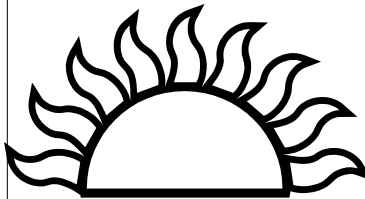

★ **Think ahead.** Prepare for situations where self-control comes in handy. (Ex. Let's think about what you can do if your friend is playing with a toy you want.)

★ **Calm down.** When your child begins to get upset, help her find ways to keep her cool. (Ex. Take a deep breath, count to five, draw of picture of how he is feeling.)♥

## CHANGING SEASONS

With the arrival of warmer weather, please make sure your child has a change of clothes at the center appropriate for the season. Also as a reminder, **all shoes worn to the center must have a back strap.** We want your children to be comfortable and safe while in our care here. Thank you.

## Summer Fun

Please refer to the summer calendar for your child's class for information about daily activities and field trips. The calendars will be in the sign in/out books for you to pick up later this month.

## PRE-K GRADUATION

Congratulations to all the children who will be graduating from our Pre-K program on Thursday, May 25. The ceremony will be at 3PM with a reception following in the gym. Join us for this special time to celebrate your children.
